The solid, sumptuous profile of the Aedon creates a seat you can't wait to sink into. High-density foam seating and blown-fibre backs accented by a double topstitch pull creates visual drama and an inviting embrace, framed by a stylized pad-over arm. Superior comfort is further enhanced by the clean, seamless motion and infinite positioning of power headrest, recline, and lumbar. Wall-hugger technology provides a full recline with only 4" of wall clearance. Movements are activated by a convenient brushed-metal switch that includes integrated USB charging. The console loveseat provides a wealth of extras. This includes deep storage, cupholders, more USB charging, an add on such as a grommet can support additional optional add-ons such as tablet stands, tables, and LED flex lights. This signature transitional look gives the ease and comfort of motion, with clean styling that will suit the décor of any home.
