42200

The clean-lined Banff collection was designed to offer ergonomic comfort. Inspired by Scandinavian design, it features refined top-stitching details throughout, highlighting the contemporary appeal. A sophisticated pull on the back cushion disperses padding and comfort through the multi-density foam seat and back cushions, accentuating the ergo-nomic design. \r\n The bucket seat design offers ergonomic support, with multi-density foam at its core to provide years of seating enjoyment. The Banff's contemporary profile is offset by graceful, curving arms, giving this European-inspired recliner a serene elegance. \r\n The Banff is available in a variety of unique comfort functions for maximized convenience including a rocking function, swivel glider and wall hugger. A perfect blend of simplicity and polish, it is an ideal choice for both transitional and modern interiors.
