

## ELITE

41952

The Elite is a clean, classic choice for your home theater seating experience. Full chaise bucket seats offer complete body support while seated or in the fully-reclined position. Padded on all surfaces, the Elite features a track arm design with a slim profile and a deep storage arm, perfect for storing remotes and other small electronics or magazines. \n\n Accented with loads of double topstitching details, the plush blown fiber back cushions complete the home theatre seating experience and are divided to provide exceptional head and back support. Meanwhile, high-resiliency foam seating provides comfort and support whether sitting or reclining that lasts for years to come. \n\n The Elite collection is available in either power or manual recline, maximizing convenience. Available in a multitude of straight, curved or combination configurations to suit any space, you can set up as many rows as needed to distinguish the lounging ambience for any occasion. As if these features were not enough, the Elite is compatible with a variety of accessories, all designed to enhance functionality and keep up with the demands of a highly functional space.

\*Select pieces from this collection are available in pattern-matched accent covers. Pattern matching ensures the pattern is consistent throughout the piece and matches at seams, and over arms and backs, creating a continuous pattern. Dimensions shown as Width x Depth x Height. Dimensions are correct at the time of printing and are subject to change without notice. Actual measurements for each item may vary. Please allow up to a +/- 1 inch or 3 centimeter difference.
