

## GILMORE

43143

The timeless simplicity and thoughtful details of the Gilmore evoke a welcoming familiarity from the first moment, while its form and function come together to create a stylish addition to any decor. Its divided back with lumbar cushioning is augmented by gentle gathering at the head support, and its full chaise footrest invites expansive relaxation in the lay-flat position, perfect for sleeping. The semi-attached, blown-fibre back cushions are paired with supportive foam seat cushions for comfort designed to last. Ease into relaxation with a two-motor mechanism allowing for independent recline of the back and footrest, operated by a button hand wand. The Gilmore is available in either power or manual recline and a variety of unique comfort functions for maximized convenience including a rocking function, swivel, swivel glider, wall hugger, layflat, and lift - which allows gentle ease from a sitting to a standing position, while reducing strain on joints. Offered in a versatile mid-range size, the Gilmore's easy warmth is equally at home in both snug and spacious interiors.
